#### REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee present their report together with the audited combined financial statements of the League and its Elderly Units for the year ended 31 March 2019.

#### Business review

#### Objective of the League

The objective of the League is to implement, execute and participate in the welfare and charitable activities of the elders, women and children. There are five social services operating units at our League: two subsidized elderly homes, one subsidized neighbourhood elderly centre, one self-financing elderly home and one self-financing activity centre. Namely,

- i. the Chan Kwun Tung Care and Attention Home for the Elderly ("Chan Kwun Tung Home")
- ii. the Ho Leung Kit Ting Care and Attention Home for the Elderly ("Ho Leung Kit Ting Home)
- iii. the Yau Ma Tei Neighbourhood Elderly Centre ("Yaumatei Centre")
- iv. the Self-financing Home for the Elderly ("Self-financing Home")
- v. the Ho Leung Kit Ting Self-financing Activity Centre (Ho Leung Kit Ting Centre")

## A Fair review of the League's business 2018/19

#### General

- 1. Our League would strictly follow Social Welfare Department's Best Practice Manual guidelines on human resource management, financial management, as well as corporate governance and accountability which are recommended by the Lump Sum Grant Independent Review Committee.
- 2. To fulfill the concern of public mass and service users, the Social Welfare Department("SWD") has specially designed for our Executive Committee members and senior management to attend courses and symposium on various management aspects towards better practices and upgrading corporate governance and accountability.
- 3. In particular, we aim to keep abreast of proper governance to help the League developing in a sustainable and stable direction. We took the opportunity to join the HKCSS's NGO Governance Platform Project to strengthen the flow of the board and learning to enhance the potential of the development of the League.
- 4. In the third allocation of the Social Welfare Development Fund by the Social Welfare Department, we continue to use \$119,400 in the staff training. During these three years, we have received a total of \$882,061.

#### REPORT OF THE EXECUTIVE COMMITTEE (Continued)

#### Business review (Continued)

#### General (continued)

- 5. Satisfying Inland Revenue Ordinance for the status of a charitable organization, that we can issue tax-exempt receipts, we also put on the agenda of the Executive committee meetings to emphasize on tax-exempt status is not easy, more cautious about issuing tax-exempt receipts. In addition, the donation funding deposits in separate bank accounts for verification purpose.
- 6. Ho Leung Kit Ting Home in this year has been set up and put into service of twenty years. The Home held two special events to commemorate, one is to lead 34 elders to Ocean Park tour with more than 12 wheelchairs, the event was rewarded by friends and family members, while the other was hosting a feast and Open Day.
- 7. Additional Funding for Enhancement of Community Care and Support Services
- 8. Yaumatei Neighbourhood Elderly Centre and Chan Kwun Tung Home Day Care Unit are allocated \$762,079 to strength Dementia support, Outreaching support and Provision of Speech Therapy Service by Social Welfare Department starting from October 2018. After funding allocation, our service units would provide dementia care services to the elderly in the community as community support services.

## Financing and Key Performances -

- 9. As a prudent policy, we continue to make use of limited resources with a view to achieving fiscal balance and maximizing resource usage.
- 10. Financial reports are prepared in accordance with all relevant legal requirements of Social Welfare Department Lump Sum Grant Manual Guideline, Best Practice Manual and Hong Kong Companies Ordinance. In response to public accountability, we update and disclose our Lump Sum Grant Annual Financial Reports and Review Reports on Staff Remuneration Packages in our website.
- 11. In the year 2018/19 our income (\$83.24 million) has been increased by 9.5 % as compared with 2017/18 (\$76.03 million). However the operational costs in 2018/19 (\$81.30 million) has been increased by 7.2 % as compared with 2017/18 (\$75.83 million). This arises from increase in staff costs, operating expenses and provision of additional social service.
- 12. By the end of March 2019, we have a staff team total 218 serving 323 elders in our residing homes, compared with 238 serving 318 elders in 2018. In our adjacent centre, we have 1308 members in 2018/2019 compared with 1,372 last year.

## Key Activities and Related Grants – (continued)

- 17. Additional Speech Therapy Services: According to the study and report, the Dysphagia for the elderly in elderly homes is as high as 68 percent, and common diseases that can cause dysphagia include stroke, brain degeneration, Parkinson's disease, and so on. The consequences of dysphagia are also serious, leading to malnutrition, water scarcity, pneumonia and even death, and the situation is a cause for concern. The professional of speech therapists can assess the ability of the elderly to swallow and to determine whether the elderly need to be fed or if they need special meals to reduce the risk of eating the wrong place. From November 2018 onwards, our two elderly's home will be added to the elderly with speech therapy services to set training objectives for the elderly, to help staff understand the language communication of the elderly through lectures, counselling services, sharing sessions and workshops, etc.
- 18. Improving environmental facilities: A number of environmental improvement projects have been completed this year, including the completion of the Chan Kwun Tung Home and the Ho Leung Kit Ting Building WR2 Five-yearly fixed electrical installation inspection to provide a secure and stable power supply for both buildings. To re-complete the building plans of the two homes to meet the licensing requirements of the Social Welfare Department. The two buildings have also been replaced fire-resistant stainless steel fire doors. With a donation of \$192,000 from the Board of Management of The Chinese Permanent Cemeteries to Chan Kwun Tung Home to replace the whole emergency call bells system, the project has been completed.
- 19. Optimize home equipment: In order to meet the needs of the residents, two Homes have purchased set-up including new sputum machines, hand-held first aid set, decompression air cushion beds, high-back chairs, bath chair, bath bed and hoists etc. to reduce the strain of the same workers in the workflow. It also provides quality services to the elderly as a result of the cost of service operation and for the long-term continuous care of the residents.
- 20. Yaumatei Neighbourhood Elderly Centre served 1160 members and 170 carers in the year. The centre also organized a total of 277 interest classes, groups and programmes and 133 of them were jointly organized with our strategic partners in the community.
- 21. Moreover, the centre provided counselling and support services to 106 elderly members and 55 hidden or vulnerable elderly persons respectively in the year. #### INDEPENDENT AUDITOR'S REPORT

To the members of ASIA WOMEN'S LEAGUE LIMITED ("The League") (incorporated in Hong Kong with liabilities limited by guarantee)

We have audited the combined financial statements of Asia Women's League Limited ("the League") set out on pages 12 to 36, which comprise the combined statement of financial position as at 31 March 2019, and the combined statement of comprehensive income, combined statement of changes in funds and reserves and combined statement of cash flows for the year then ended of the League's own accounts and its Elderly Units, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the combined financial statements give a true and fair view of the combined financial position of the League as at 31 March 2019, and of its combined financial performance and its combined cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance and the Lump Sum Grant Manual.

#### Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the League in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The Executive Committee is responsible for the other information. The other information comprises the report of the Executive Committee, those information set out in Appendices A to E, but does not include the combined financial statements and our auditor's report thereon.

Our opinion on the combined financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the combined financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the combined financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### INDEPENDENT AUDITOR'S REPORT (continued)

To the members of ASIA WOMEN'S LEAGUE LIMITED ("The League") (incorporated in Hong Kong with liabilities limited by guarantee)

## Responsibilities of the Executive Committee and Those Charged with Governance for the Combined Financial Statements

The Executive Committee is responsible for the preparation of the combined financial statements that give a true and fair view in accordance with HKFRS issued by the HKICPA and the Hong Kong Companies Ordinance and the Lump Sum Grant Manual, and for such internal control as the Executive Committee determines is necessary to enable the preparation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, the Executive Committee is responsible for assessing the League's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intends to liquidate the League or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the League's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these combined financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the combined financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the League's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee.

INDEPENDENT AUDITOR'S REPORT (continued)
To the members of
ASIA WOMEN'S LEAGUE LIMITED
(incorporated in Hong Kong with liabilities limited by guarantee)

## Auditor's Responsibilities for the Audit of the Combined Financial Statements (continued)

- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the League's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the combined financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the League to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the combined financial statements, including the disclosures, and whether the combined financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### NOTES TO FINANCIAL STATEMENTS

31 March 2019

#### CORPORATE DETAILS

The League was incorporated in Hong Kong under the Hong Kong Companies Ordinance on 27 June 1972, with liabilities limited by guarantee. The address of its registered office is 4/F., Henry G. Leong Community Center, 60 Public Square Street, Yaumatei, Kowloon, Hong Kong.

The League's long term financial objective is other than to achieve operating profit but for charity and social service purpose. The principal activity of the League is engaged in providing services to the elderly. It has been operating five social service units for the elderly (herein after referred to as "the Elderly Units"), namely,

- the Chan Kwun Tung Care and Attention Home for the Elderly
- the Ho Leung Kit Ting Care and Attention Home for the Elderly
- the Ho Leung Kit Ting Self-financing Activity Centre
- the Yau Ma Tei Neighbourhood Elderly Centre
- the Self-financing Home for the Elderly

#### Basis of preparation in respect of the League and the Elderly Units

The League has maintained separate books and accounts for its own account and each of the Elderly Units to account for their income and expenditure during the year and have prepared separate financial statements for each of the Elderly Units.

This set of combined financial statements of the League, which is based on the financial statements of the League's own account and the Elderly Units, after making such adjustments as we consider appropriate, include the combined results, statement of financial position, statement of cash flows and statement of changes in funds and reserves (including subvention accounts). All material inter-unit transactions and balances have been eliminated on combination.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Statement of compliance

The combined financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong, the Hong Kong Companies Ordinance and the Lump Sum Grant Manual.

#### NOTES TO FINANCIAL STATEMENTS

31 March 2019

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Basis of preparation of the combined financial statements

The combined financial statements have been prepared under the historical cost convention.

The preparation of combined financial statements in conformity with HKFRSs requires management to make estimates, assumptions and judgments that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future period affected.

Judgments made by the management in the application of HKFRSs that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 19.

#### Application of new and revised Hong Kong Financial Reporting Standards

In the current year, the League has applied the new and revised Standards and Interpretations of HKFRSs below issued by the HKICPA that are relevant to its operations and applicable in current year.

HKFRS 9

Financial Instruments

HKFRS 15

Revenue from Contacts with Customers and the related Amendments

HK(IFRIC)-Int22

Foreign Currency Transactions and Advance Consideration

Certain of the League's accounting policies have been changed to comply with the adoption of these new or revised standards, amendments and interpretations in accordance with the relevant transition provisions in the respective standards. Except as described below, there are no other changes in the League's accounting policies, amounts reported and/or disclosures from the initial adoptions of these HKFRSs.

#### HKFRS 9 "Financial instruments":

Certain of the League's accounting policies have been changed to comply with the adoption of HKFRS9, which replaces the provisions of HKAS39 Financial Instruments ("HKAS39") that relate to the recognition, classification and measurement of financial assets and financial liabilities; derecognition of financial instruments; impairments of financial assets and hedge accounting. HKFRS 9 also significantly amends other standards dealing with financial statements such as HKFRS 7 "Financial Instruments – Disclosures".

The adoption of HKFRS 9 has changed the League's impairment model by replacing the HKAS39 "Incurred loss model" to the "expected credit losses model". HKFRS9 requires the League to recognize expected credit losses for receivables earlier than HKAS39. The new HKFRS9 impairment model does not result in additional impairment allowance for the League at 1 April 2018.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Application of new and revised Hong Kong Financial Reporting Standards (continued)

#### HKFRS 15 "Revenue from Contracts with Customers":

On application of HKFRS 15, promises in contracts with customers within its scope are identified as a performance obligation satisfied over time or a performance obligation satisfied at a point in time. For performance obligations satisfied over time, revenue is recognised over time by measuring the progress towards complete satisfaction of that performance obligation. For performance obligations satisfied at a point in time, revenue is recognised when the customer obtains control of the promised good or services.

Under HKFRS 15, a contract liability, rather than a payable, is recognised when a customer pays non-refundable consideration, or is contractually required to pay non-refundable consideration and the amount is already due, before the League recognizes the related revenue.

Given the nature of the League's operation, the intial application of HKFRS 15 does not necessitates material changes in the League's revenue recognition and measurement policies.

The League has been impacted by HKFRS 15 in relation to the presentation of contract liabilities. The initial application of HKFRS 15 recognised the opening balances of contract liabilities of HK\$34,110 at 1 April 2018. Comparative information is not restated.

## Hong Kong Financial Reporting Standards issued but not yet effective

Certain new standards, amendments and interpretations to existing standards (collectively, the "Amendments") have been published that are mandatory for accounting years beginning on or after 2 April 2018. Some of the Amendments are relevant and applicable to the Company; however, they have not been early adopted in these financial statements. The Company is in the process of making an assessment of what the impact of the applicable Amendments is expected to be in the period of initial application, but not yet in a position to state whether the adoption of them would have a significant impact on the Company's results of operations and financial position.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation and any recognized impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the fixed assets have been put into operation, such as repairs and maintenance, is normally charged to the income statement in the year in which it is incurred. Subsequent cost is capitalized as an additional asset or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the League and the cost of the item can be measured reliably.

All land used by the League is granted by Hong Kong Government and stated at nominal nil value to the League.

Depreciation of fixed assets is calculated on a straight-line basis to write off the cost of each asset over its estimated useful life. The principal annual rates used for this purpose are as follows:

| Building                           | 4% p.a.  |
|------------------------------------|----------|
| Motor vehicles                     | 20% p.a. |
| Furniture, fixture and instruments | 20% p.a. |
| Computer                           | 20% p.a. |

Residual values, useful lives and the depreciation method of fixed assets are reviewed, and adjusted if appropriate, at end of each reporting year.

An item of fixed assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss on disposal or retirement of a fixed asset recognized in the combined statement of comprehensive income is the difference between the net sales proceeds and the carrying amount of the relevant asset, and is recognized in the combined statement of comprehensive income in the period of disposal or retirement except the asset for which initial acquisition was financed by specific reserve fund, then the gain or loss is recognized in that specific reserve fund.

## Impairment of non-financial assets

At end of each reporting year, the League determines whether there is any indication of impairment of non-financial assets. If there is any indication of impairment, the recoverable amount the relevant asset or group of assets is estimated and compared with the carrying amount.

If the recoverable amount of an asset or a group of assets is less than its carrying amount, the carrying amount of the asset or group of assets is reduced to the recoverable amount. Impairment losses are recognized as an expense in profit or loss.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Financial instruments

Financial assets and liabilities are recognized on the League's combined statement of financial position when the League becomes a party to the contractual provisions of the instruments.

## a. Receivables and expected credit loss

A receivable is recognized when the League has an unconditional right to receive consideration. A right to receive consideration is unconditional if only the passage of time is required before payment of that consideration is due. If revenue has been recognized before the League has an unconditional right to receive consideration, the amount is presented as a contract asset. Receivables are stated at amortised cost using the effective interest method less allowance for expected credit losses.

Loss allowance for expected credit losses is recognized on a financial asset carried at amortized cost at the end of the reporting year.

The allowance is measured at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition, considering all reasonable and supportable information, including that which is forward-looking; if the credit risk has not increased significantly since initial recognition, the loss allowance is measured at an amount equal to 12-month expected credit losses. The lifetime expected credit losses are ones that result from all possible defaults over the expected life of the financial asset, while 12-month expected credit losses represent the portion of lifetime expected credit losses that are the expected credit losses that result from default events on the financial asset that are possible within the 12 months after the reporting date.

For receivables from the ordinary business, the League applies the simplified approach permitted by HKFRS 9 to measure the loss allowance at an amount equal to lifetime expected credit losses.

#### b. Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits, other short-term, highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts that are repayable on demand and form an integral part of the League's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

#### c. Payable and other accruals

Payable and other accruals are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method. Items with no stated interest rate and immaterial effect of discounting are measured at cost.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the combined statement of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

#### Revenue recognition

The recognition of revenue from contracts with customers is based on the performance obligations identified in the contracts. Revenue is recognized when the League satisfies a performance obligation by transferring goods or service (i.e. an asset) to a customer who obtains the control of the asset.

Revenue is recognized to the extent of amount received or receivable pursuant to the contract or agreed price. Revenue is recognized as follows:

- a. subvention grants and donations recognized at a point in time when they are received;
- b. resident dues and fees are recognized at a point in time when they are received;
- c. revenue from fund-raising activities within the accounting year at a point of time when the activities have been rendered or the rights to receive payments are established.
- d. membership fees are recognized over time on a straight-line basis in the income and expenditure account as the customers simultaneously receive and consumes the benefits of goods or services provided.
- e. interest on a time proportion basis taking into account the principal outstanding and effective interest rates applicable.

#### Special one-off grants and one-off subsidy

Special one-off grants and one-off subsidy are recognized as a separate reserve in the statement of financial position initially when there is reasonable assurance that they will be received and that the League will comply with the conditions attaching to them, if any. Grants related to income (other than those related to assets) are recognized as income on a systematic basis over the periods necessary to match them with the related expenditures charged to the statement of income and expenditure which they are intended to compensate.

### Employee benefits

#### i. Employee leave entitlements

Employee entitlements to annual leave are recognized when they are accrued to employees. A provision is made for the estimated liability for annual leave as a result of services by employees up to the end of reporting year. Employee entitlements to sick leave and maternity leave are not recognized until the time of leave.

#### ii. Retirement costs

Contributions to defined contribution retirement scheme are charged to the income and expenditure as and when incurred. The assets of the schemes are held separately from those in the League in separate independently administered funds.

#### 12. RETIREMENT COSTS

At the implementation of the Mandatory Provident Fund Schemes Ordinance ("MPF Schemes Ordinance") on 1 December 2000, the League was operating a defined contribution scheme which is an occupational retirement scheme ("ORSO scheme") qualified for exemption under the MPF Schemes Ordinance. This scheme has been in operation up to the date of report. Under the scheme, the employees make monthly contributions to the ORSO scheme equal to 5% of their basic salaries, while the employer makes monthly contributions equal to 5% to 15% of the employees' basic salaries, depending on their years of service. The employees are entitled to receive 100% of the employer' contribution upon termination of employment after completing 10 years of service, or at a rate of 50% to 90% after completing 5 to less than 9 years of service, on conditions of retirement, early retirement, permanent incapacity and ill-health or termination of employment other than summary dismissal.

The League also established another mandatory provident fund scheme ("MPF scheme") which is available to employees who joined or will join the League from April 2001 onwards. Both the League and the employees are required to contribute 5% of the employees' relevant income up to a maximum of HK\$1,500 per employee per month and the employer contribution rate will be 6.8% of the employees' relevant income for the employees with 10 years of service or above. The assets of the MPF scheme are held in separate trustee-administered funds.

No provision is made for obligations for long service payment offsetting against the fair value of provident fund balances because the cumulative effect of net obligations on 31 March 2019 is immaterial.

#### 14. LITIGATION

The League has been involved in legal proceedings with certain members who claimed that a three-year term of office for the Executive Committee elected in 1997 was invalid under the Memorandum and Articles of Association. In January 2001, an interlocutory application was heard by a Master of the High Court who ruled in favour of the League. In May 2001, the appeal against the Master's decision was dismissed with costs to the League and the position of the proceedings remained unchanged up to date of report. In the opinion of the Executive Committee, it is unlikely that there will be further developments. In these regards, the League's interest in these proceedings has been looked after by the League's honorary solicitors whose costs are minimal.

#### 15. TAX EXEMPTION

The League is an organization registered under section 88 of the Inland Revenue Ordinance and is exempt from profits tax.

#### 16. EXECUTIVE COMMITTEE MEMBERS' REMUNERATION

The Executive Committee members' remuneration disclosed pursuant to section 383 of the Hong Kong Companies Ordinance and Part 3 of the Companies (Disclosure of Information about Benefits of Director) Regulation, for the year is \$Nil (2018: \$Nil).

#### 17. CAPITAL MANAGEMENT

The League's primary objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide the services to the elderly.

The League actively and regularly reviews and manages its capital structure to maintain a comfortable level of cash and cash equivalents adequately supported by subvention grants and donation in order to meet continuous operational needs, and makes adjustments to the capital structure in light of changes in activities level.

During the year, the League's strategy, unchanged from 2018, was to monitor its capital structure on the basis of capital level. For the purpose of this section, capital comprises all components of equity. The capital of the League at 31 March 2019 was HK\$70,401,805 (2018 - HK\$70,147,416).

The League is not subject to externally imposed capital requirements.

#### 18. FINANCIAL INSTRUMENTS

Exposure to credit, liquidity, foreign currency and interest rate risks arises in the normal course of the League's operation are discussed below. These risks are limited by the League's financial management policies and practices described below.

#### a. i. Credit risk

The League has no concentrations of credit risk, which is primarily attributable to receivable. Management has a credit policy in place and the exposure to this credit risk is monitored in an on-going basis.

The credit risk on liquid funds is limited because the counter parties are banks with high credit ratings. The League does not provide any financial guarantees which would expose the League to credit risk.

The maximum exposure to credit risk without taking account of any collateral held is represented by the carrying amount of each financial asset in the combined statement of financial position after deducting any impairment allowance.

a. Impairment of receivable during the year

Impairment losses are written off against receivable directly when the League is satisfied that recovery of the amount is remote.

During the year, there was no receivable individually determined to be impaired (2018 - HK\$Nil).

b. The analysis of receivable that were neither individually nor collectively considered to be impaired are as follows:

|                               | 2019<br>HK\$ | 2018<br>HK\$ |
|-------------------------------|--------------|--------------|
| Neither past due nor impaired | 9,654        | _            |

In 2019, Receivable that was neither past due nor impaired for which there was no recent history of default.

# ii. Liquidity risk

The League's policy is to regularly monitor its liquidity requirements and to ensure that it maintains sufficient reserves of cash to meet its liquidity requirements in the short and longer term.

The following table details the remaining contractual maturities at the end of reporting year of the League's non-derivative financial liabilities, which are based on contractual undiscounted cash flows (including interest payments computed using contractual rates or, if floating, based on rates current at the end of reporting year) and the earliest date the League can be required to pay:

# iii. Foreign currency risk

Since the League did not have forecast transactions and recognized assets and liabilities that were denominated in a currency other than the functional currency of the operations to which they relate, the exposure is considered not significant. Neither exposure nor sensitivity analysis is disclosed in this respect.

# NOTES TO FINANCIAL STATEMENTS

31 March 2019

# 18. FINANCIAL INSTRUMENTS (continued)

### iv. Interest rate risk

- a. The League's interest rate risk arises primarily from its fixed deposits with banks which are classified as cash and cash equivalents. The financial assets are held at fixed rate, which expose the League to fair value interest rate risk. The League does not use financial derivatives to hedge against the interest rate risk. However, the interest rate profile of the League is closely monitored by the management.
  - The League's latest practice is to place its fixed deposits in banks with maturity within 3 months, and the exposure is considered not significant. No sensitivity analysis is disclosed in this respect.
- b. The League did not have interest-bearing borrowings with the banks and other parties and was not exposed to interest rate risk in this respect. No sensitivity analysis is disclosed in this respect.

### b. Fair value

All financial instruments are carried at amounts not materially different from their fair values as at 31 March 2019 and 2018.

# c. Fair value hierarchy

Since the League does not have financial instruments that are measured in fair value, no analysis of level of fair value hierarchy is disclosed in this respect.

### 19. CRITICALACCOUNTING ESTIMATES AND JUDGMENTS

a. Key assumptions and other key sources of estimation uncertainty

Certain key assumptions and risk factors in respect of the financial risk management are set out in note 18. Unless otherwise stated, there are no other key sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

b. Critical judgments in applying the League's accounting policies

The Executive Committee considers that no critical judgments are made in applying the League's accounting policies that can significantly affect the amount recognized in the combined financial statements.

## 20. APPROVAL OF FINANCIAL STATEMENTS

The combined financial statements were approved and authorized for issue by the Executive Committee on 31 August 2019.
