REPORT OF THE EXECUTIVE COMMITTEE

Business review

The objective of the League

The objective of the League is to implement, execute and participate in the welfare and charitable activities of the elders, women and children. The League actively promotes the spirit of "Respect, Love and Care for the Elderly" by providing different kinds of services for the Elderly to improve their quality of life.

Business Background

1. There are five social services operating units at our League, namely:-
 - i. the Chan Kwun Tung Care and Attention Home for the Elderly ("CKT Home");
 - ii. the Ho Leung Kit Ting Care and Attention Home for the Elderly ("HLKT Home");
 - iii. the Yau Ma Tei Neighbourhood Elderly Centre ("YMT Centre");
 - iv. the Self-financing Home for the Elderly ("SF Home"); and
 - v. the Ho Leung Kit Ting Self-financing Activity Centre ("HLKT Centre")

Industries background

2. According to the Social Welfare Department ("SWD") public data issued 31st March 2024, we have 2 out of 171 homes under the type of "subvented homes, self-financing homes and contract homes" that provide subsidised residential services and 1 out of 88 homes with non-subsidised places for elderly.

Special resource

3. To fulfil the concern of the public and service users, the SWD has specifically designed for our Executive Committee members and senior management courses and symposiums on various management aspects towards better practices and improving corporate governance and accountability.
4. In particular, we aim to keep abreast of proper governance to help the League in developing a sustainable and stable direction. We took the opportunity to join as a member of The Hong Kong Council of Social Service ("HKCSS") in a Governance Platform Project to strengthen the flow of the board and to learn to enhance the potential of development of the League.

The objective of the operation

5. To improve and upgrade the facilities of the service units, the League has applied for different charity funds from both governmental and non-governmental organisations for facilities replacement.
6. In order to maintain a positive reserve for the Self-financing Home, the Executive Committee has continuously reviewed and adjusted the operating flow and policy of broadening sources of income and reducing expenditure.

External environment

7. Coronavirus Disease 2019 ("COVID-19") was spread to Hong Kong since January 2020. However, starting from 1st March 2023, the Hong Kong Government implemented a series of resumption of normalcy measures. All five social services units are operating as like as pre-pandemic period, including normal visiting arrangement, numerous activities and programme launched, continuous development and maintenance on the facilities etc. The League is glad to embrace the full recovery of Hong Kong with the whole society.

The Respond to the Deficit for the year
